

# The Cat Tale

Vol 48 No. 1  
Jan Feb 2018

## The Official Publication of the Jaguar Club of Tulsa

### **BREAKFAST JAN 6 AND FEB 3**

Well, here we are at the start of a brand new year. Wow!, sure did seem to get here in a hurry! As you can see by the pictures below we have been having a really good turn out at our breakfast gatherings.

We have had a full house on the first Saturday of the month at The First Watch restaurant at 81st and Lewis at 9:00 am. Attendance has been around 25 to 30 club members who gather for a good breakfast and great conversation to get their day started right. The wait staff is always ready for us and the coffee is on the table. Breakfast is \$11 for anything on the menu and that

includes the tip. We hope to see you at the next 'First Saturday' breakfast!

### **INSTALLATION DINNER SATURDAY, JANUARY 27TH**

Club members will meet the new officers and the Board of Directors at our annual Installation Dinner to be held this year at **The Ridge** restaurant at **101st and Mingo**. Cocktails will be at 6:30 pm and dinner at 7:00. We will be ordering off their regular menu.

**IMPORTANT:** We must have reservations no later than Tuesday, Jan 23rd. Please note, if you are a 'No Show' at dinner, you will be charged a fee of \$15-20 to cover the clubs cost for the reservation. If you decide to come without a reservation we can not guarantee you will be seated with the club.

Please make your reservation to Ada Jean West at [ajwest@track14.com](mailto:ajwest@track14.com) or call her at 918-232-0960.

This will be a fun evening with your Jaguar club friends and a chance to meet the new officers and talk about what will be happening in the coming year.

### **THE GREAT TRAIN SHOW SATURDAY, FEB 10 & LUNCH AT EL GAUPOS**

Who doesn't remember playing with a model train? We will get to take a look at hundreds of them when the 'Great Train Show' comes to Tulsa. This is not just a few local hobbyist getting together, this is a big deal! The **Great Train Show** is the nation's only coast-to-coast model train show. The show is designed for the general public, modelers, hobbyists, families, and the just plain curious. Each show features hundreds of tables of trains and accessories for sale, huge operating exhibits, activities for kids, and more.

The show will be in the Central Park facility at Expo Square (the Tulsa fairgrounds, look for the Golden Driller). There is a \$10 admission for adults , kids under 11 admitted free. You can get a \$2 off coupon at the train show web site at [www.trainshow.com](http://www.trainshow.com). We will be meeting at the train show at 10:30 am. You can get your tickets and just go on in and enjoy the display of all those trains. At about noon we will all meet up with Gary Grover near the entrance and then we will go to El Guapos at 81st and Harvard for lunch. (cont'd on page 2)

This will be a fun day and might even be something you want to bring your kids or grandkids to see. Don't worry we will be sending out another reminder before this date, but mark it down anyway. Model trains are a lot more fun than video games.

## THE CURSE OF COMPUTERS

By Linda Young

You may have noticed that your newsletter is a bit smaller than it normally is. I believe my computer is powered by Lucas as right before Christmas it suffered a serious brain seizure and required hospitalization at the Microsoft store. To make a long story short, I lost everything I had; documents, pictures, lists, e-mails, book marks, you name it, GONE. Now I am slowly getting things put back together.

To add to the confusion, right before the crash my e mail had mysteriously stopped working. Setting these accounts up again proved to be a real trial as nothing would work until, after a day and a half of aggravation, I discovered that Windstream had changed my e-mail address but did not inform me. So, please make note of my new e-mail: [mmra@windstream.net](mailto:mmra@windstream.net)

If you have sent me a classified ad or an article or some other item of interest that has not yet appeared in the Cat Tale, please send it again because I have undoubtedly lost the information. Meanwhile, please bear with me and I promise the next newsletter will be back up to our standards.

## CHRISTMAS PARTY AT THE WRIGHTS

The Wright's graciously opened up their home for the party and members came bearing lots of tasty goodies for all of us to enjoy. As part of the Christmas tradition we watched the 18

minute black and white film, "Dinner for One". The film, which was made before a live audience in one take, back in 1963, has become a traditional part of the Northern European holiday festivities and nowhere is this more popular than in Germany.

Staring British actors Freddie Finton and May Warden, butler "James" serves "Miss Sophie" and her four "guests", gentleman and former suitors who are no longer living and therefore not present, a four course dinner including sherry, white wine, champagne and port all of which James drinks so he can refill

each goblet at the proper time. Needless to say he becomes increasingly drunk and comic pandemonium ensues.

The Guinness book of world records lists it as the most frequently repeated show on television and no where is this more true than in Germany where millions of people of all generations consider it to be part of the New Year's tradition. This year it was aired on German TV 20 times between 12:00 noon and 1:00 am on Dec 31st and Jan1 for the New Year's celebration.

Now, thanks to Don and Carol and their German connections, members of the club can now say they have joined in the merriment of this fun German tradition.

## YOUR DUES ARE DUE!!!

Have you sent your check yet? If not, do it right now. The club treasurer will be sending in our club roster and annual dues to JCNA in just a couple of weeks so we need to have your dues and make sure we have your correct address and e mail address. Fill out the form on the back of this newsletter and mail it or bring it to the breakfast on Jan 6th.

If you paid your annual dues in Oct, Nov or Dec, you are paid up for 2018. If you have any questions you can contact the club treasurer at 918-232-0960 or e mail her at [ajwest@track14.com](mailto:ajwest@track14.com).

## SOCKS AND UNDERWEAR YOU DID IT!!!

Thanks to the generosity of the club members, we collected

- 131 pairs of socks,
- 94 pairs of men's underwear
- 25 men's undershirts
- 27 pair boys underwear
- 24 pair boys socks
- 70 pairs of women's underwear
- 66 pairs of girls underwear
- 10 pairs of girls socks.

No doubt about it, these items are greatly appreciated by the clients at the Tulsa Day Center for the Homeless, especially those warm, dry socks now that we are experiencing deep freeze weather conditions. Tulsa Jaguar Club members are a generous group and they deserve a big THANK YOU for helping make someone else's Christmas a little brighter and a little warmer.

# SANTA BROUGHT A BRAND NEW JAG!

By Stuart Barrett

Welcome back to another installment of proper detailing by Stuart Barrett. As we say goodbye to yet another year and take a moment to reflect on the automotive pursuits we've embarked upon, I can't help but look forward to the new year with great excitement! With a new year, can come a new car and what better way to begin proper care than when it's brand new?

You may be thinking to yourself, "It's a new car, why would it need a detail?" Let's wind the clock all the way back to the factory. With time constraints on production goals, the manufacturer enlists a quality control department that follows a guideline as to what is considered a "good" finish of the paint

surface. Oftentimes, sanding marks and buffing trails from both hurried and improper tool usage are overlooked for the sake of production. Once it gets the green light to ship to its destination, it is wrapped in various types of plastics that act as a buffer for any unforeseen encounter while it is en route. While the vehicle makes its journey on various freight platforms, it is exposed to harsh elements such as rail dust from trains and tar from roadways. Only after all that unwanted muck has found its way onto the new vehicle surface is it delivered to the dealership for its Post Delivery Inspection. This is where the vehicle is checked to make sure everything is compliant to the manufacturer's standards.

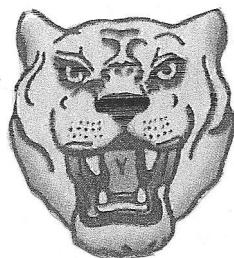

The car then gets handed over to the "detailing" department. This is the likeliest time the new vehicle could be subjected to damaging paint practices. Poor practices such as not using the correct product that is best suited for the vehicle; the worker not having correct training or equipment resulting in a subpar job with severe swirls; buffer trail marks; and even possible paint burn. Shortcuts, due to time constraints, rush the job and steps may even be skipped just to call the job done...

Fun fact: you can request a "new car delivery" where you receive the vehicle still in its wrapping before ever having visited the dealership's "detail" department. If you choose this path, you then have the option of the D.I.Y. route or taking it to a professional detailer for their new car preparation service. A quality new car prep includes: factory plastics and wrappings removal; the removal of any transportation and/or storage dirt; the removal of surface contaminants i.e., leftover adhesive, tree sap, rail dust, overspray, etc. Needless to say this is all done without marring or scratching the paint. It culminates to a professional inspection of the vehicle's paintwork, determining what's needed to bring out the full potential of the paint surface. I focus on increasing gloss and smoothness. Lastly, a durable protectant is applied to the surfaces using high quality sealants or coatings. Put your vehicle through this process and the results will impress you year after year of ownership. If you would like more information or have a vehicle in need of an evaluation please send me an email: [driveproper@gmail.com](mailto:driveproper@gmail.com)

Best wishes for everyone and I look forward to seeing you all in the New Year!

Stuart
