

The Cat Tale

Vol 48 No. 2
Mar April 2018

The Official Publication of the Jaguar Club of Tulsa

BREAKFAST March 3rd and April 7th

It's a good thing there is a large parking lot at the First Watch on 81st and Lewis because the weather is supposed to be perfect on Saturday and we expect a lot of Jaguars to turn out for breakfast.

Don't forget, the March breakfast will be followed by a tech session on how to properly wash and clean your car in preparation for the spring driving season. The tech session will be held at the Young's house, which happens to be on the East end of 81st street in Broken Arrow and will start at 11 o'clock.

Stuart Barrett, who has been writing the informative detailing articles for the "Cat Tale" will be demonstrating how to get that perfect shine with no scratches, abrasions or swirl marks.

Got some nasty looking wheels? Stuart will show you how to make them look good again without spending hours rubbing on them.

The Young's house is at 205 E. Knoxville in Broken Arrow and is easy to find. Take 81st east all the way to Main St in BA then turn right (south) and drive 3 blocks and turn left onto East Knoxville St and drive to the end of the short street. We will be giving directions again at breakfast so, plan to eat breakfast with your friends and then make a short drive to Broken Arrow and learn all about how to keep your Cat looking sleek and shinning.

Sunday Brunch at Philbrook Sunday, March 18th 11:00 am

The gardens at Philbrook Museum should be rising from their long winter sleep and we will have a view of the South garden. The "Secret Garden" where many of the herbs and seasonal items are grown and used by the chef at the "LaVilla" restaurant is in this area.

Plan to arrive by 11:00 am and be prepared to enjoy a fabulous buffet. The restaurant is on the lower level of the museum. When entering the front doors turn to the right and take the elevator or the stairs.

As usual, we **MUST HAVE RESERVATIONS** so call Mike Webb at 918-272-7452 or e-mail him at Mike@thosewebbs.com and tell him how many will be in your party no later than March 14th.

This will be a very nice way to spend a Sunday so make that call today and plan to be there.

"A ROUTE 66 SUMMER" Saturday, April 21st

In keeping with the steadily growing interest in Route 66, the board members are planning 3 events to explore this historic road that passes right through Tulsa. The first event, April 21, we will start with breakfast at Talley's on 11th street and then head west toward Sapulpa, Depew, Chandler, Warwick, Luther and other "Mother Road" metropolises.

Did you know that Cyrus Avery, "the Father of Route 66" lived for many years and raised a family, on a 1400 acre farm just north of Tulsa? The detailed 135%-scale bronze sculpture "East meets West", depicts Avery stopping his Ford on the 11th Street Bridge as the vehicle frightened two horses pulling a wagon laden with oil barrels. The sculpture stands at *Cyrus Avery Centennial Plaza* at Southwest Boulevard at Riverside Drive

Yes, there are a lot of interesting things to see and do along the way and the road is actually quite pretty and fun to drive. We will be stopping for lunch along the way and there will be time to stop at other road side attractions. You will want to pay attention along the way because there may be a test later!

An e-mail will be going out prior to this event to let you know exactly what time to be at Talley's for breakfast but mark this date on your calendar now so you don't miss what is going to be a fun drive.

COMING EVENTS!

Yes! Now that I have your attention, lets talk about coming events. The board of directors has been hard at work and have planned out a whole year of events. Here is the list and now you can't say you didn't know far enough in advance. This list will give you dates but doesn't include all the details as some events need to have details finalized as we get a bit closer. Since March and April are listed above, the list will start with May:

- May 14th Monday** - Dinner at Asian Cuisine - 11th and Garnett
 - June - 22nd - 23rd** Euro Expo Car Show, Sand Springs
 - July 21st Saturday** - 2nd "Route 66 Summer" event. Heading west to Miami, OK for museums and food
 - Aug 22nd Tuesday** - Dinner at Waterfront Grill in Jenks
- (cont'd on page 2)

Sept 6-7-8 Brits in the Ozarks car show

September 15th the 3rd of our "Route 66 Summer" drives but this time we will be staying in Tulsa

October 13 Saturday - Pot Luck dinner at the Wrights

November (no date set yet) Rally

December 8 (Saturday) Christmas party at the Larson's.

So there you have it, the schedule for the next 10 months and don't forget all those breakfasts at First Watch, 81st and Lewis at 9:00 am on the first Saturday of every month. If you should need extra reminding, all of these dates are listed on the "**Coming Events**" calendar on the last page of the newsletter.

Looking for Co-Drivers and Enthusiasts By Les Neidell

I am recruiting some help for the 2018 vintage racing season. Attached is a list of possible race dates. For any non-Hallett event I need at least one co-driver for the trip. Last year I was fortunate to have Clark Frayser with me to the Pittsburgh Vintage Grand Prix, and to the Historic Festival, Lime Rock. These events are **, as are the two Hallett events, the four events in which I entered last year.

For the two Hallett events I encourage you to come and spectate; it's as close-up and personal as you can get to some great cars and terrific drivers. (Some of you might remember, though, the two MG drivers that tried, last April, to block the Kel-lison.) All in good fun, and made passing them on the last lap all the more enjoyable.

I prefer always to race the Plymouth since it's so unusual – the only one remaining from 1930s dirt track racers.

As for expenses, I pay all gas and if there's one other co-driver, the motel rooms to and from. At the venues I typically rent a house so this rooming expense is covered regardless of the number of co-drivers. Actual race dates are listed; we'll need to leave 1 or 2 days in advance, and return 1-2 days after. Bear in mind that these dates are subject to change depending on what the race promoters may decide to run for classes but we usually know of changes a few weeks ahead of time. Here is the list as it stands right now.

Jun 15-17: Blackhawk, near Chicago. Never been to this race, but in the past they've had a good selection of Pre-War entries (and you MG TC/TD/TF fans they're included with Pre-Wars.)

JUL 19-22 Elkheart Lake, WS. A really beautiful area and a well appointed track facility.

Aug 23-26: Rolex Reunion. Monterey, CA This is the BIG one that will draw the largest number of cars. I haven't been in a few years, but it is definitely on my "to do" list.

Sep 28-29: Lime Rock, CT. A Pre-War Celebration. .

If you are interested in participating in any or all of these racing dates as either a co-driver or just pit crew/helper you can call me at 918-430-5968 or e-mail me at gtvalfa@sbcglobal.net.

Spring Clean Seminar!

By Stuart Barrett

Hello everyone and welcome to the first installment of Proper Auto Detailing for 2018!

As mentioned in the previous news letter, my hope for the new year is to connect with more of you to share our stories of driving and caring for the automobiles we are passionate about. There is no time like the present to do just that: Saturday, March 3rd, Scott & Linda Young graciously invite you onto their driveway (or into the shop depending on what wonderful weather is in store) for an open demonstration of the latest tools and techniques to get your car looking its best and keep looking its best.

My aim is to equip you with the tools, tips, and techniques to spend less time cleaning while achieving better results than ever before. Lead by yours truly, we will focus on a specific area at this meeting and discuss the Do's & Don'ts while I perform the work.

It will be an easy open format Q&A style gathering but feel free to bring a pen and paper along to jot down anything you would like to know more about. We will discuss tools and their unique advantages as well as products used with/without them. For this seminar you are in for a treat because I will attempt to clean up an area that is notoriously fickle with contamination. I say attempt because the owner informed me they couldn't even recall when that area was last touched! Always up for a challenge and forever on the hunt to test the industry's "Latest & Greatest" I encourage you to join me after the monthly breakfast to see if it "wheel cleanup."

If you have any suggestions or topics you wish for me to discuss feel free to email me at:

driveproper@gmail.com

Installation Dinner By Linda Young

"It was a cold and nippy night..." but purple prose notwithstanding, we had a good crowd at "The Ridge" for our installation dinner and the restaurant made us feel welcome right from the start by putting our name up in lights on the marquee.

We had nice seating in the room with the fireplace that made things nice and warm. New President, Clark Frayser added to the décor with model Jaguars on the tables and other British regalia around the room.

Maxine and Gary Grover chat with Joan Neidell,

who we were all glad to see. Joan is still recovering from an automobile accident that happened back in early November.

The food was really good and everyone seemed to enjoy their meals. As usual it was like breaking the sound barrier when the time came to

"pass the gavel and introduce the new officers for 2018. **Clark Frayser** is the new president, Vice president is **Stephen Flach**. Stephen will also continue on with his responsibilities as the club web master. (cont'd on page 3)

AJ West will continue as treasurer and **Mike Webb** takes over as secretary. The newest board member is **Scott Young**, who was elected to a two year term this year. The remaining board members, **Gary Grover, Stan Lackey, Richard Salamon, Marvin Gregory and Don Wright**, are all in charge of activities and events. All of the club officers are listed on the last page of the along with their contact information and they are always ready to hear from club members who have something to say.

Gary Grover and Clark Frayser pass the gavel

It was a very enjoyable evening for all in attendance and a good start to our 2018 club events year.

The Great Train Show
By Linda Young

Another darn nippy day but we were not to be deterred and the gang showed up at the lower level of the Expo Center to see the Great Train Show. Local model train enthusiasts were there and it must have taken the HOURS to set up some of those model train displays. They were HUGE!

The first thing that greeted visitors was the little 'push and pull' train that the kids were riding.

The kids were having a grand time and I guess this would be a good way to wear them out to make sure they are ready for nap time!

Probably the most unique display was a very large one that depicted familiar landmarks that are all along Route 66 through out Oklahoma. There was obviously a lot of work and a lot of research in building these scale model landmarks.

The blue whale was unmistakable, and there was an intricate model of the Tulsa Depot.

Browsing the vendor tables one quickly realized that this is not a

cheap hobby and it takes up just as much room as a car collection! Some how you always need more garage space.

After the train show we headed to El Guapo's for a great Mexican lunch and the conclusion of another fun outing.
