

# The Cat Tale

**The Official Publication of the Jaguar Club of Tulsa**

## First Saturday Breakfast July 2 and Aug 6

Pant, Pant, Pant. Yes, summer is here and time for a cool break for breakfast at the Daybreak Café at 81st and Lewis at 9:00 am.

Tired of the same old thing? Might be time to try something cool, like a fruit crepe or a yoghurt parfait? How about a nice cool glass of orange juice? Whatever your preference, be at breakfast to see your Jaguar club friends and catch up on the latest club happenings on the first Saturday of every month.

There is plenty of parking and the coffee will be waiting.

## July 23rd - Saturday Greenwood Rising

We will be visiting one of the newest historical museums that commemorates the darkest chapter in Tulsa's' history. The 1921 Greenwood race riot.

Greenwood Rising is the specific story of the dignity of a people who turned trials, tribulations, and tragedy into a triumph of the human spirit. This immersive and interactive space takes visitors from the early days of Greenwood as a thriving community through the terror of the night of rioting, onto subsequent policies and politics marginalizing the black community to the now enterprising and thriving area it is today.

We will meet at the museum at 10:30 am for our tour. There is no admission charge but the club will be making a donation to the Greenwood Rising Fund which is a component fund of the Tulsa Community Foundation.

After our tour we will be going to lunch at but the exact location has not yet been determined. However, we will still need to know how many people will plan on attending so we can make arrangements for our group at the museum and for lunch. **Please call Mike Webb with your RSVP at 918-510-5722 or e mail him at mwebb@oklahoma.net by July 20.** This will be a very interesting morning and you don't want to miss it.

## August 20 Red Fork Distillery Distillery Visit and Tasting

Yes, Oklahoma does have distilleries making real spirits and the first one to open since prohibition ended in 1933 is right here in Tulsa's Red Fork District on Route 66.

Michael and Dana Hoey decided in 2015 that they could create a great Oklahoma distillery and they did just that craft-

ing spirits like "Reverence", a handcrafted bourbon and

"Southern Journey" a Vodka inspired by their golden wheat farm sprawling across Buffalo, Oklahoma.

We will meet at 2:00 pm at the distillery which is at **3310 Southwest Boulevard**. Tastings are \$10.00 per person + tax.

After we have sampled libations we will journey to Sand Springs for lunch at **Little Venice Restaurant** eatery for some genuine Italian food.

Little Venice was one of the sponsors of our recent car show and several participants had lunch there and reported that the food was excellent. You can check out their menu at [Lit- tlevenice.us](http://LittleVenice.us) and note that it features items not found at the average Italian restaurant. Also their menu changes according to market availability to make sure ingredients are always the best.

We will need RSVP so the restaurant knows how many to prepare for, so e-mail **Scott Young at etypes@windstream.net or call him at 918-998-1054**

## October 21-23 Driving Tour Mt. Magazine & Scenic Byway

Don't forget that event we have schedules with the British Iron group on **October 21st, 22nd and 23rd** and will involve about two and 1/2 days of driving, eating, wine sampling and taking in the sights.

The British Iron group has taken the lead in planning this outing and if you plan to go, get your reservations in at the Mt. Magazine Lodge NOW. The details of this trip were in the May/June "Cat Tale" and can be found on the club web site where our newsletters are posted, in case you don't remember. ([jaguarcluboftulsa.com](http://jaguarcluboftulsa.com))

There was a block of 20 rooms reserved at the Lodge and about half of them are already booked. If you plan to go call 1-877-665-6343 to make your reservation and **be sure to say you are with the British Iron club.** You will be switched to another person who takes group reservations, otherwise they will tell you there are no rooms available.

The Lodge web site is <https://www.arkansasstateparks.com/parks/mount-magazine-state-park>.

\*\*\*\*\*

• **The first road trip was completed by a woman.** Bertha Benz, the mother of all car marketing, helped her husband popularize the first motorcar by going off on a 120-mile trip with her two sons, fixing the vehicle by herself along the way.

## A Trip to the Lake and a Drive through Arkansas

An intrepid group set forth from Tulsa on Friday afternoon, April 29 for Table Rock Lake where club

member **AJ West** owns a fishing resort. However we didn't fish, we ate BBQ and relaxed on the patio overlooking the lake as we had to be up early the next morning to meet up with the British Iron club members for a fast and furious drive

Just a about a mile outside of Jasper we made a stop at the "Grand Canyon of the Ozarks", a beautiful scenic vista where you can see across the rolling mountains for miles.

through the winding hills of Arkansas.

We drove to Huntsville where we met up with the enthusiastic British Iron drivers (who drove lots of things, not just British!) and they led the way on a fantastic drive through the twisting back roads of Arkansas to the little town on Jasper where we stopped for lunch at the Ozark Cafe. (The fried mushrooms are great!)

(cont'd on page 3)

Our after lunch drive involved some curves that were so sharp that you felt like you were meeting yourself coming back! It was great fun and gave both drivers and cars a great work out.

Finally we arrived back in Huntsville and it was time for the two groups to split up as the Arkansas folks headed for their homes and we headed back to the Resort.

It had been a long day and everyone was more than ready for a nice evening on the patio where we had hamburgers, hot dogs and libations and it didn't take much to get people relaxed.

**Sharon Timo, Sandy McArthur and AJ West** kick back for some fun and conversation after a long day on the road. Even though it was a beautiful evening by about 10:00 everyone was beginning to head off to their cabins and bed. All that power driving the foothills for the Ozarks, a great evening of food and drinks on the patio and the day spent in the great outdoors had everyone worn out.

But we weren't quite through with the fun yet. We still had breakfast on Sunday morning to look forward to. By 9:00 am, **Greg Timo, Scott Young and Mike Webb**, with a little help from Millie and Wylie, were cooking up a great breakfast of sausage, bacon, hash browns and pancakes. No body was going to hit the road on an empty stomach!

**Glenn and Carol Larson** relaxing on the patio. We also had some 4 legged club guests attend. Below is **Wylie Webb**

Not exactly sure what **Georgia Snoke and Millie** were up to, but they seemed to be having fun!

There was a lot of fun and relaxation on the patio that evening. Who would have thought that **Stephan Flach** would be the "King of Dad Jokes"?

This was a really fun weekend and was enjoyed by all who participated in the overnight stay and the Saturday drive. Many Thanks to the Arkansas British Iron members for their help.

No, we never did figure out who put the fly swatter in the freezer, guess that will remain a mystery for another time!

# Euro Expo Car Show Sand Springs - OK June 11 & 12 2022

After a two year hiatus due to the Covid pandemic, the club has resumed the annual car show on the Triangle in downtown Sand Springs. The show committee headed up by **Clark Frayer and Roger Hanes** and assisted by **Les Neidell, Mike Webb, Ken Snoke, Stan Lackey, Tom Twomey, AJ West, Sharon Timo, Greg Timo, Cindy Hanes, Berneal Flach, Steve Flach and Scott Young** and Clarks daughter **Mary**.

It was almost like starting over finding sponsors as we weren't sure if all the former businesses were still around, post pandemic, but they were and happy to have us coming back along with some new sponsors. Returning was Cecil and Sons Tire, and the Sand Springs Chamber of commerce. The Museum was open so our show participants could use the restroom facilities, for which we were grateful.

New sponsors this year were White Glove Auto, a complete auto detail and protection company, Team One Automotive in Broken Arrow for repair and maintenance services, The Bindery Autoplex, for vehicle storage, detailing, window tinting, graphics.

Many other local businesses contributed items for our goodie bags and for the silent auction to benefit the local Sand Springs Animal Shelter. Among them are Earth and Soul, Little Venice Restaurant, Cobles Creations, Auto Plus Auto Parts, El Patron Cocina Mexicana restaurant, Signs and Stitches, Rod's Books and Relics, Riverview Wine & Spirits, Auto Zone of Prattville, Yesterday to Now, Yellowhouse Kids Boutique, RibCrib Sand Springs, Advance Auto Parts, Sand Springs Flowers, O'Riley Auto Parts, The Dog & Duck Antiques and Gifts, Tractor Supply, Atwoods of Sand Springs, Colton Steak House & Grill, Briarwood Auto Service, Mock Brothers Saddlery and Western Wear, Riddle Plant Farm, Binswanger Glass of Broken Arrow, Akira Sushi Bar in Owasso and Thrivent Financial. When you are shopping or dining in Sand Springs, patronize these businesses who support our show.

The Hampton House once again served as our host hotel where on Friday evening, people could pick up their pre-registration or register for the Saturday show. Friday evening was also the tailgate party BBQ for club members and show participants. **Greg Timo, Mike Webb and Scott Young** were the "pit masters" who cooked up the great chicken, pulled pork, smoked bologna and baked beans and provided the sides for this feast.

Mike Webb, Jason Neidell, Les Neidell and Eileen Simmons enjoy good food and conversation.

Were those cookies **Don Wright** was helping himself to?

**Berneal and Steve Flach** having conversation with one of the out of town participants.

Ken Snoke arrived early on Saturday morning and got his picture taken then he was busy the rest of the morning taking pictures of the other cars as they arrived as he was our official photographer for the event. Every entrant to the show got a nice picture of their car as a souvenir of the show.

Club member **Phillip Dooley** with his Aston Martin.

JCTI member **Richard Salamon** debuted his newly restored 1962 Austin Healey 3000. The car was delivered to Richard at the show by Richard Crump who did the ground up restoration of this perfect Healey in his Enid shop.

06/11/2022

There were two really nice MG Midget's from Sand Springs. One belonging to **Robert Short** and the other to **Joshua Brown**

06/11/2022

06/11/2022 09:5

**Steve and Berneal Flach** and their 2007 XK

**Todd Coady** entered his 1999 Ferrari Maranello.

06/11/2022 11:49

06/11/2022 09:33

**Robert Triffo** in his flawless 2004 XKR

06/11/2022 09:29

The 1976 MG Midget owned by **Armando Fenseca & Jeb Bragg**

Linda Young's 1994 XJS

One of our sponsors, **White Glove Auto** was there and they brought along a few of their customers cars so people could see the excellent work they do taking care of whatever the customer's car needs. (White Glove customer cars below)

**Cindy Hanes** was kept busy taking care of the silent auction items of which we had a bunch! The auction was held to benefit the Sand Springs Animal Shelter and volunteers from the shelter were there all day along with some adorable pups that are up for adoption. It was a hot day, but they were prepared.

This year we also had several Volvo's entered, including this Volvo 1800 wagon. There are still quite a few of the iconic P1800's on the road but you rarely see a wagon and this was a really nice one

owned by **Gabe Ward** of Tulsa.

There were, Fiats, Alfa's, Morris Minor, Saab, Lotus, Porsche, even a Mustang

and of course more Jaguars. Unfortunately There is not room to print pictures of everyone's car in the newsletter but the plan is to put all the pictures of the cars on our web site @ [www.Jaguarcluboftulsa.com](http://www.Jaguarcluboftulsa.com) in the next few weeks. It just takes a little time to get everything organized.

Once again, THANK YOU to all those who worked and volunteered their time to make this show a success and I hope I did not leave anyone's name off the list! *Editor*

**October 2005**

Think back to that date. Were you a member of the club back in 2005? If so you may have made the "Fall Fling" weekend trip to Marshall Texas, to see the fabulous Ponder collection.

Someone in the Dallas club knew someone and got the three clubs, Tulsa, Dallas and OKC in to see the Gene Ponder collection of fabulous cars. There were well over 100 cars all in pristine, running condition and they included numerous British cars, namely several Jaguars including C and D and E types and Blower MGs. There was also an incredible amount of auto memorabilia everywhere. We were fortunate to have as our guide that day one of Gene Ponder's sons, who was a really nice fellow who told a lot of interesting stories about the cars.

The collection is in the news again but this time it is being

sold. Southbys will be in Marshall on September 22-24. There will be over 140 cars, motorcycles, and boats, as well as an expansive selection of automobilia and all will be sold at no reserve.

If you are interested in what might be in the collection, you can take a look on the Vintage Motorsports web site at: www.vintagemotorsport.com and click on "auctions". Or if you just want to take a little walk down memory lane and see how many of the cars you remember, they have video posted.

We were lucky to see this fantastic collection and what a great fun weekend it was. We all stayed at a vintage hotel and had a great meal in the Victorian dining room and then had a great evening of wine, snacks, terrific company and I seem to remember something about a whirlpool tub.

There are more collections around, we just have to find them and get in to take a peek!

**For the Person Who Has Everything**

Tiffany & Co. creates iconic trophies for many of the world's greatest sporting events. Inspired by the transcendent form and energy of competition, these symbols of athletic achievement have been reserved for competitors with the highest standards of excellence.

Until now.

**THE ULTIMATE PARTICIPATION TROPHY!**  
LIMITED EDITION OF 100. 900g STERLING SILVER HAND-CRAFTED BY TIFFANY&CO. STAINLESS STEEL, TIFFANY BLUE POWDER COAT. WHITE MARBLE & FELTED WOOL BASE

Yes, Tiffany makes trophies! In fact, Tiffany makes probably every notable US sports trophy you can name for major championships including football, basketball, baseball and more. Each piece of sports equipment in the Ultimate Participation Trophy (including the horse) references a particular Tiffany trophy.

Yes, the older generation is constantly complaining about the kids who are too soft and coddled and get a trophy just for showing up. (wasn't like that when I was a kid!). But as Tiffany points out in their Trophy Manifesto, life is not fair. One individual characteristic trumps all others, be it talent or hard work: wealth. The primary predictor of success for children is familial wealth, the key determinant of wealth is luck, and the same elder generation bemoaning the theoretical Participation Paradigm bears responsibility for wearing away any existing semblance of economic meritocracy.

It's the American way: those who can't play, pay!

Trophies are priced at \$1000 each. Order yours today.
